KEY FEATURES OF THE COLLECTION

This limited-edition collection marks the first legal tender bullion coins manufactured by ABC Mint, with **only 50,000** coins available per design at GBA Group.

GBA Group is the official distribution partner of this collection, customers can find the coins at Gold Bullion Australia, Gold Stackers, Private Vaults, Australian Bullion Company and the Melbourne Mint.

999.9 SILVER Each 1 troy ounce bullion coin features 99.99% Australian mined silver which has been responsibly and ethically sourced by LBMA-accredited ABC Refinery.

OCEANIA: Each coin features a unique species from an Oceanic country and communicates the rarity of these untamed environments.

INVESTMENT: The Untamed Landscapes bullion range offers an exciting new investment portfolio option, and a vehicle to preserve lasting wealth.

ETHICAL & SUSTAINABLE: Each coin features considerate Silver. ABC Silver is the most in-demand silver globally due to its ethical provenance and sustainable refining ethos.

GREEN VISION

The Untamed Landscapes Collection aligns with GBA Group's Green Vision. ABC Mint products are made with guaranteed conflict-free precious metals and are refined by ABC Refinery, accredited as a Good Delivery Gold and Silver Refiner by the London Bullion Market Association (LBMA), utilising the largest zero-emission refining capacity in the world.

Wildlife has significantly influenced the development of precious metals coins. The industry has recognised this by immortalising these beautiful creatures on gold and silver coins. GBA Group celebrates the diversity and uniqueness of the world through these coins, paying homage to its rich legacy.

GBA Group understands the importance of giving back, especially to nature, to continue to appreciate and protect Australia's valuable ecosystem for future generations. That is why GBA Group proudly sponsors the Byron Bay Wildlife Hospital. Conceived and launched by vets Dr Stephen Van Mil and Dr Evan Kosack, Byron Bay Wildlife Hospital (BBWH) is Australia's largest mobile wildlife hospital, a registered charity, and a not-for-profit company limited by guarantee.

The hospital operates from a full-sized, custom-built semi-trailer, affectionately named Matilda through a public naming competition. Matilda can be transported to the scene of natural disasters such as bushfires, floods, mass strandings, or oil spills affecting wildlife on a large scale. Members of the public and licensed wildlife carers can take injured, sick, and orphaned animals to the Byron Bay Wildlife Hospital for treatment and care.

To find ways to donate or contribute to this wonderful cause, please visit the BBWH website at byronbaywildlifehospital.org.
